Chang's Hapkido Academy London Fees

Please Note:

Classes are scheduled regularly throughout the year; students chose the most appropriate payment/attendance plan to suit their circumstances, and pay by standing order.

Please note that the Academy will be closed on bank holidays and for approximately 20 working days each year.

There may be times when you do not attend classes. In this instance, as with a gym membership, your payment plan would remain fixed. If you wish to stop attending classes altogether however, you are under no contract, and **may cancel your standing order at any point** - out of courtesy though, please just let me know!

Absence for more than 1 year requires re-registration when student resumes.
